collaborative environment, solving difficult problems

what is your ideal position?

FAST employees enjoy many exciting opportunities unique to a small, start-up company. Positions are organic in nature and no two days are the same. Innovation and excellence are valued and rewarded. Along with being members of AGILE development teams, employees are able to work independently with large amounts of latitude and corresponding responsibility.

working at FAST

FAST employees are the best at what they do and routinely employ the latest cutting edge technologies and processes. Therefore, FAST is selective in its recruitment and hiring process. To join FAST is to join a select group of dedicated professional, afforded an opportunity to participate in an early stage corporation, driving significant company, personal and professional growth.

FAST benefits

Health - FAST employees enjoy comprehensive medical benefits provided by Aetna – no referrals required. Aetna benefits include both Rx and vision components. www.aetna.com.

Dental – employees access in-network providers found at www.dentemax.com or use out-of-network providers for services.

401(K) Plan - FAST's 401(K) Plan provides a vehicle to help prepare you for retirement. The Plan has a broad investment line-up including funds from America Funds Group, Blackrock, PIMCO, T. Rowe Price, Vanguard and other asset managers.
